**NBN Industry  
Connection #4**

Knowledge Influence Support

CHAMBER OF COMMERCE  
AND INDUSTRY  
WESTERN AUSTRALIA

---

**When:** Tuesday, 2 February 2010, 2 pm – 5 pm  
**Where:** Chamber of Commerce and Industry of WA,  
Level 4, 180 Hay St, East Perth

---

### About the Forums:

Following on from the previous NBN Industry Connections, this series of Forums will provide a further update on the Communications Alliance NBN Project with a focus on the End User Premises and an update from NBN Co following the release of their consultation paper on wholesale fibre bitstream products.

This fourth series of Forums will feature **Michael Malone, CEO of iiNet**, **Paul Brooks** on the **Communications Alliance NBN Project** and its outcomes and **Matthew Lobb** of **NBN Co Limited**.

---
