

Communications Alliance Forum
Sydney: 9th February 2010

NBN Industry Connection #4

When: Tuesday, 9 February 2010, 3 pm – 5 pm
Where: Baker & McKenzie,
Level 27, AMP Centre,
50 Bridge Street, Sydney

About the Forums:

Following on from the previous NBN Industry Connections, this series of Forums will provide a further update on the Communications Alliance NBN Project with a focus on the End User Premises and an update from NBN Co following the release of their consultation paper on wholesale fibre bitstream products.

This fourth series of Forums will feature **Paul Brooks on the Communications Alliance NBN Project** and its outcomes as well as an update from **Christy Boyce of NBN Co Limited**.
