

IPND Code and DNCR Working Group

Code and Guideline Revision

Terms of Reference

The IPND Code and Do Not Call Register Working Group has been established to perform an area of work identified by the Operations Reference Panel (ORP). This Working Group in carrying out the specific terms below is to observe the following guidelines, as appropriate:

- (a) Review the CA C555:2008 **Integrated Public Number Database (IPND)** Industry Code to:
 - (i) consider the recommendations raised by the Department of Communications Review of the Integrated Public Number Database and identify and recommend any necessary changes to the Code;
 - (ii) identify any necessary changes to align definitions with other relevant CA Codes and the IPND Guideline;
 - (iii) identify and consider recommendations of changes to be made to the IPND Code;
 - (iv) consider whether Do Not Call Register arrangements are adequately addressed and recommend changes; and
 - (v) recommend to the ORP whether the Code needs to be reconfirmed or amended.

- (b) revise CA G619:2007 **IPND Data** Industry Guideline to:
 - (i) ensure alignment between the Guideline and IPND Code;
 - (ii) identify and consider recommendations of changes to be made to the IPND Guideline.
 - (iii) recommend to the ORP whether the Guideline needs to be reconfirmed or amended.
