Your Comments: Page 4 / Sub heading #3 References Reference is to AS/NZS 2053 Conduits standard. The AS/NZS 3000:2018 Wiring Rules has recognised an IEC standard which has been adopted called AS/NZS 61386 Conduits and Fittings for Electrical Installations and AS/NZS 2053.1 Part 1: General Requirements which is equivalent to AS/NZS 2053 and AS/NZS 2053.1. Please add these standard numbers to the reference list as there will be cases when manufacturers import to the adopted standard number
